

FOURBLOCK

VETERAN CAREER READINESS PROGRAM

FIND THE RIGHT CAREER

You worked with the best intel, the best team, and the best gear possible so you could win.

Are you doing the same for your career?

FourBlock's Career Readiness Program helps transitioning veterans develop a relationship-based career strategy & build the right network to find new meaningful careers. Each week, participants connect with different companies to hear advice, discover new industries, and learn essential career building skills.

This semester-long program is offered at no cost to all participants. The program application is open to post-9/11 veterans, active duty, reservists, and National Guard who are pursuing or have obtained a bachelor's degree.

CAREER READINESS PROGRAM FALL 2023
