

**Kennesaw State University** is committed to research excellence and offers 180 degree and certificate programs in 11 colleges. Our student-centered approach to higher education inspires us to work together across all disciplines and helps the spirit of innovation and the desire to change the world.

Kennesaw State University has once again been recognized as a doctoral university with high research activity, or an R2 university, in the most recent report by the Carnegie Classification of Institutions of Higher Education. Students become immersed in new challenges and explore groundbreaking research opportunities, co-ops, and internships.

Our top-ranked programs and inclusive, collaborative community will enable students to make connections. You'll find community in one of our more **than 300+ student organizations** or cheering for one of our 18 **NCAA Division I sports teams**. The University offers financial aid and scholarship options to make college affordable for students.

Kennesaw State University and the Military & Veteran Services Department is a resource center that assists over 1,900 students who are Veterans, Active-Duty Reservists, dependents, and spouses with VA Education Benefits.

MVS assists students by directing students to on-campus resources/departments:
